Information about Shanghai

Shanghai is a global city, with influence in commerce, culture, finance, media, fashion, technology, and transport. It is a major financial center and the busiest container port in the world.

Located in the Yangtze River Delta in East China, Shanghai sits at the mouth of the Yangtze River in the middle portion of the Chinese coast. The municipality borders the provinces of Jiangsu and Zhejiang to the north, south and west, and is bounded to the east by the East China Sea.

Shanghai is a popular tourist destination renowned for its historical landmarks such as The Bund, City God Temple and Yu Garden, as well as the extensive and growing Lujiazui skyline. It has been described as the "showpiece" of the booming economy of mainland China.

Weather

October is the late autumn, the temperature is about 14 centigrade (min) to 20 centigrade (max).

Electricity

The power supply in China is mainly 220V/60Hz. The outlet has two or three holes indicated in the following photos. If you want to buy one in China, you can do so at a duty free shop at the airport.

Food

Chinese are famous for their cuisine. Chopsticks are the main table utensils in China. There are many kinds of food in China. They're Cantonese food, Sichuan food, Shanghai food, Hunan food and so on. Generally speaking, Cantonese food is a bit light, Sichuan food is very hot, Shanghai food is rather oily, and Hunan dishes are very spicy, having a strong and hot taste. Mapo Beancurd, steamed fish sweet and sour pork ribs, spring roll and many Chinese dishes are very delicious.

Local time

China's standard time zone is GMT + 8 hours.
