

Guide for Poster

For better exchange of academic communication between units and outcomes of solid waste field in recent years, ICWMT 9 will make an exhibition for all the papers received. The exhibition requirement is as follows:

1. Please use the **Poster Template** (<http://2014.icwmt.org/ICWMT2014/viewnoticeen.asp?nid=2473>)
2. Please make your poster with **0.9-metre-wide and 1.2-metre-high**.
3. The poster is **in English**.
4. Should be concise, keep to the point for reading.
The content should include
 - study background or theory;
 - study purpose, hotspots or interesting study questions;
 - outline of methodology;
 - study conclusion.
5. Please send the already-designed poster document to icwmt@tsinghua.edu.cn before October 10, **the conference organizing committee will make a unified one and exhibit**.
6. You can take your poster back when the conference is finished.

Other notes for design

1. Use readable font
2. Highlight the main content, and use short paragraphs.
3. Attach table, figure and formula etc. if it is necessary.
4. Avoid spelling mistakes.
