

**The 14<sup>th</sup> International Conference on Waste Management and  
Technology (ICWMT 14)  
*To Build A No-Waste Society*  
Announcement**

Date: March 21st to 24th, 2019

Conference Location: Beijing, China

Host: Tsinghua University;

Solid Waste and Chemicals Management Center, Ministry of Ecology and  
Environment of P.R. China;

United Nations Environment Programme;

Stockholm Convention Regional Centre for Capacity-building and the  
Transfer of Technology in Asia and the Pacific.

Organizer: Basel Convention Regional Centre for Asia and the Pacific;

The Society of Solid Waste, Chinese Society for Environmental Sciences;

Research Institute of Soil and Solid Waste Management, Chinese  
Research Academy of Environmental Sciences.

INTRODUCTION TO ICWMT14

The International Conference on Waste Management and Technology (ICWMT) is an important platform for specialists and officials to discuss scientific problems related to solid waste management, to exchange their experiences, and to seek innovative solutions. Initiated by Basel Convention Regional Centre for Asia and the Pacific and approved by the Ministry of Ecology and Environment of the People's Republic of China, ICWMT has been held 13 times since its inception in 2005. On a yearly basis, ICWMT attracts a great number of participants from the governmental units, top research institutes, prestigious universities and industrial enterprises within China and abroad.

The ICWMT 14 will be held in Beijing, China, from 21st to 24th March 2019, (March 21<sup>st</sup>: On-site Registration & Field Trip; March 22<sup>nd</sup>: Opening Ceremony) with the theme of "To Build A No-Waste Society". Prominent researchers and government officials will give keynote speeches on the pressing issues of solid waste management during the conference. The ICWMT 14 provides an excellent chance for the participants from industry and academia to keep up-to-date with the latest trends of solid waste management.

## Call for Papers

Welcome **papers and presentations** related to the following topics:

-  Hazardous waste management and risk prevention;
-  Biomass waste treatment and utilization as resources and energy;
-  Household refuse classification and disposal technology;
-  Integrated utilization of industrial solid waste;
-  Construction waste disposal and utilization as resource and energy;
-  E-waste recycling and associated pollution control;
-  Management and policy of regional chemicals;
-  Remediation and environmental regulation of contaminated sites;

- ✚ Circular economy and the development of urban mining.

## **Important Deadlines**

## **Collection& Selection of Papers**

The conference will collect related to the conference topics in Chinese or English. Accepted papers will be compiled into the Proceedings of the Fourteenth International Conference on Waste Management and Technology. The conference will select 20 excellent papers and set excellent paper awards. The selected papers will be recommended to submit to Chinese Core journals or SCI journal.

## **Enterprise Exhibition**

Create a lasting impression with conference attendees and exhibitors, many of whom are key leaders in solid waste management and processing. Become an integral part of a dynamic community that pursues groundbreaking approaches to creating a cleaner and more sustainable future, while growing your knowledge base through networking and attendee interaction. The suggestions from participating companies will serve as important references during the solid waste management and policy making process within China and abroad. While quality space remains, act quick before the growing equipment displays limit your options. There is NO time to waste!

## **Technology Visits**

Free technology visit routes will be organized as a part of the ICWMT 14.

## Language

English is the official language of the conference and simultaneous interpretation will be arranged during the plenary session of the conference.

## Registration Fee

The registration fee includes the conference materials, daily buffet lunch and a reception dinner during the period of the conference.

	Before February 1 <sup>st</sup> , 2019	After February 1 <sup>st</sup> , 2019	Students
